

TOWN OF BLADENSBURG PRESENTS

CELEBRATING AFRICAN AMERICAN LITERATURE

We invite you to join us for this year's Black History Month event by reading a thought-provoking and inspiring passage or excerpt from your favorite African American Author.

Special guest author Lexi P. will be reading "The Ice Cream Talk: Love the Skin You're In!"

- Lexi is a creative & adventurous 12-year-old kidpreneur with big a imagination & even bigger hair.
- She has a passion for writing & saw the need to share her personal lessons about learning to love herself.
- She is an honor-roll student who loves her community.

The young author is a strong believer in following your dreams and believing in yourself.
